

A person with short dark hair, wearing a light blue t-shirt and dark pants, is walking away from the camera down a dirt path in a forest. The path is surrounded by dense green foliage and trees. Sunlight filters through the leaves, creating a warm, golden glow. The text 'MY PORTFOLIO' is overlaid in a bold, light green font, with 'MY' on one line and 'PORTFOLIO' on the line below it, both underlined.

MY PORTFOLIO

Aditya Ajitsingh Dubal

**I Aditya Dubal would like to present you
things that I like to do as my hobbies.**

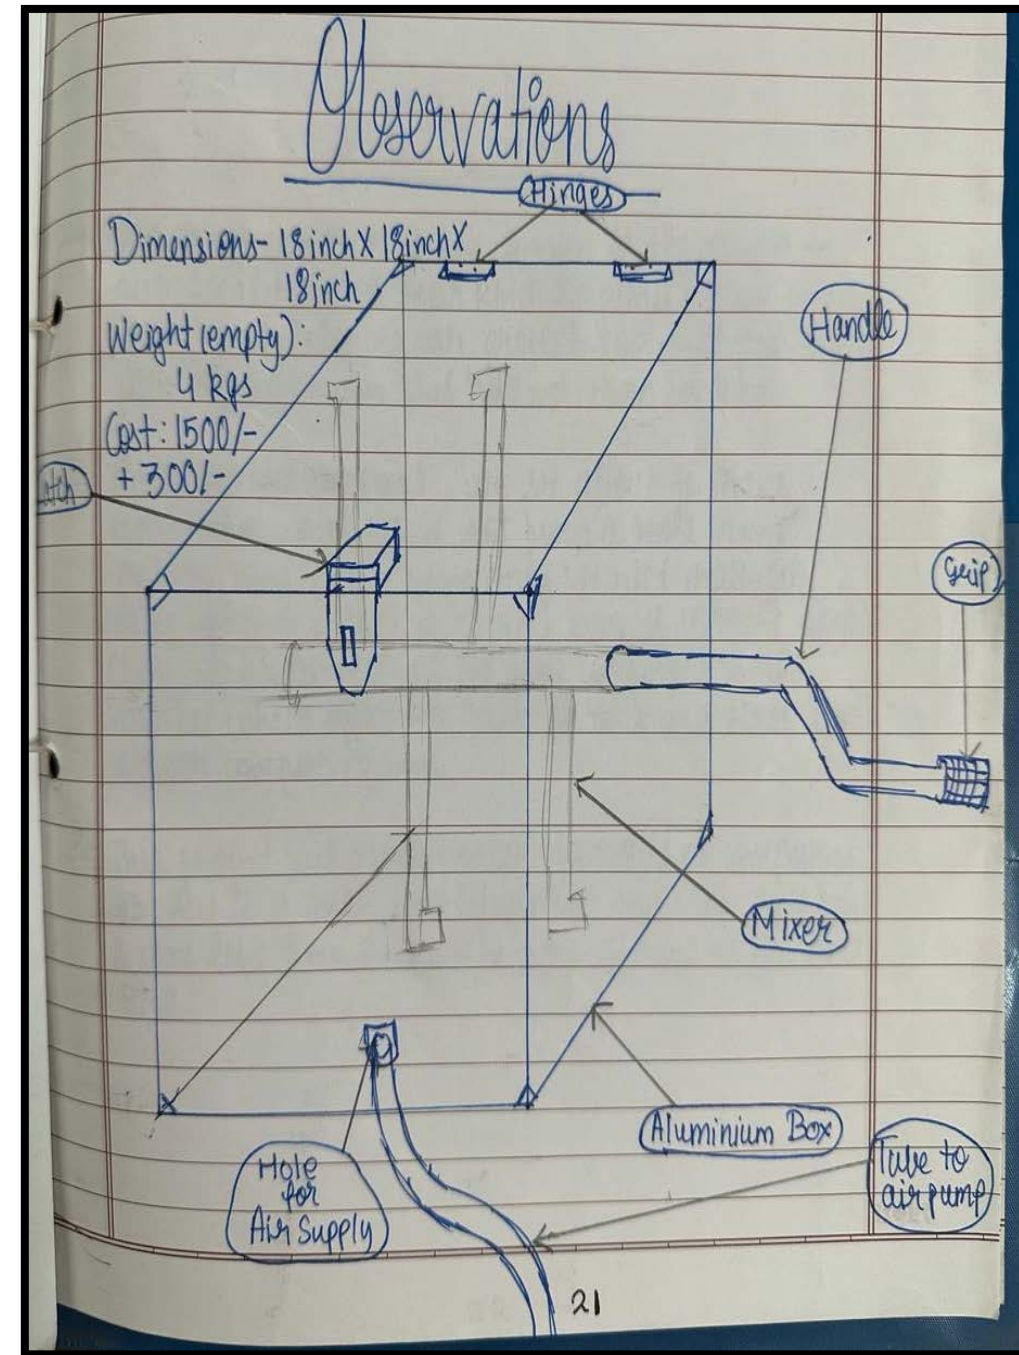

**I hope this helps you to know me in a better way,
and represent, “who Aditya really is.”**

SO LETS START THE JOURNEY.....

So let's begin with something interesting. This is about our science project on waste management which I did in 8th grade with my friend for science competition ...

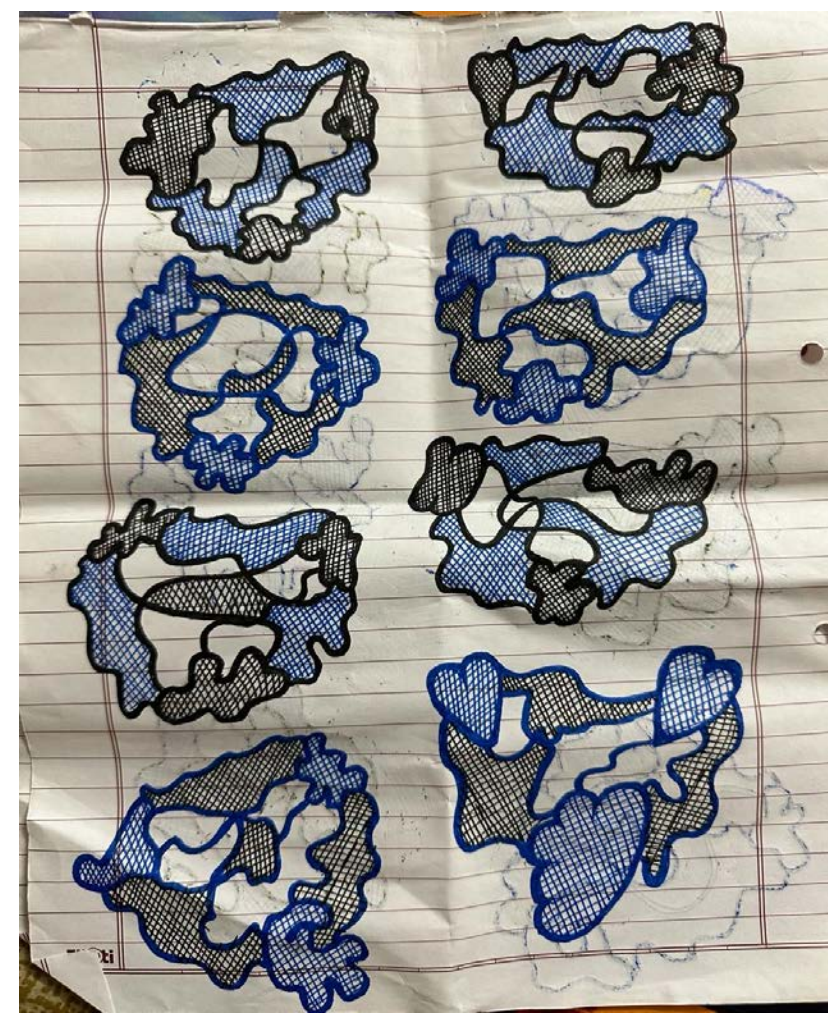

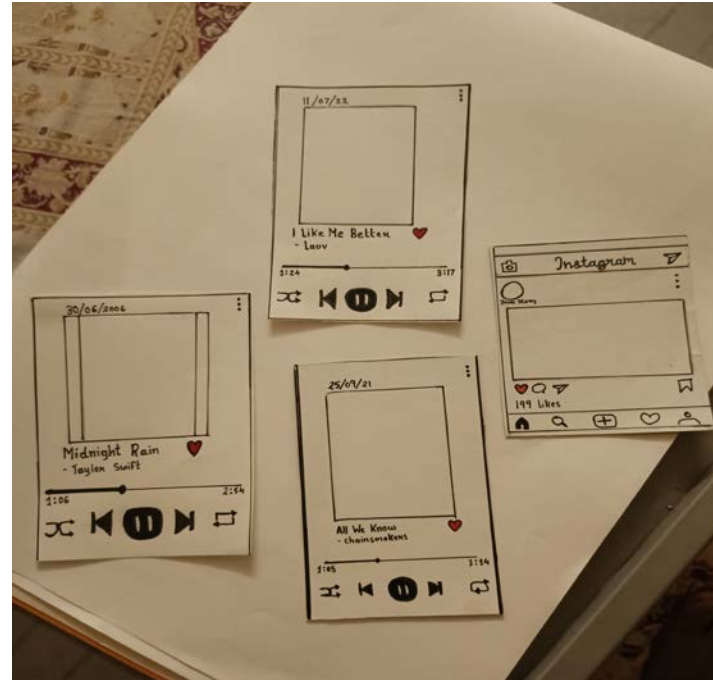

- There are two holes for aeration of waste one at bottom one at top.
- There is a rotator for properly mixing new waste with the old waste which has turned into manure
- This process and proper aeration increases the efficiency of manure production (from 1-2 months to 15 – 17 days)
- This product is long lasting and can easily fit in your kitchens or balcony.
- We took a survey in our society and many people liked the process.
- Even our society made big bio waste pits for wet waste management .

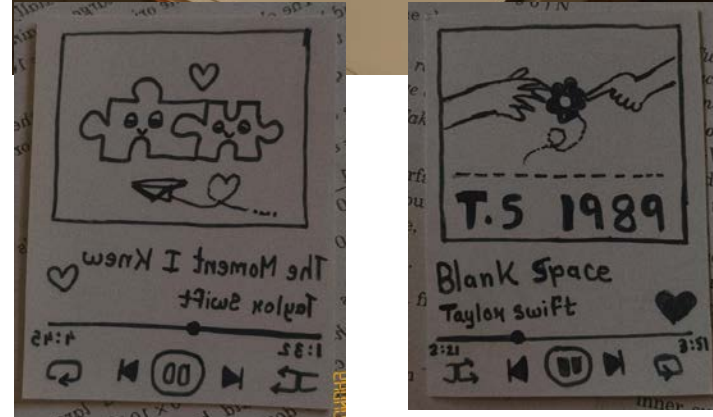

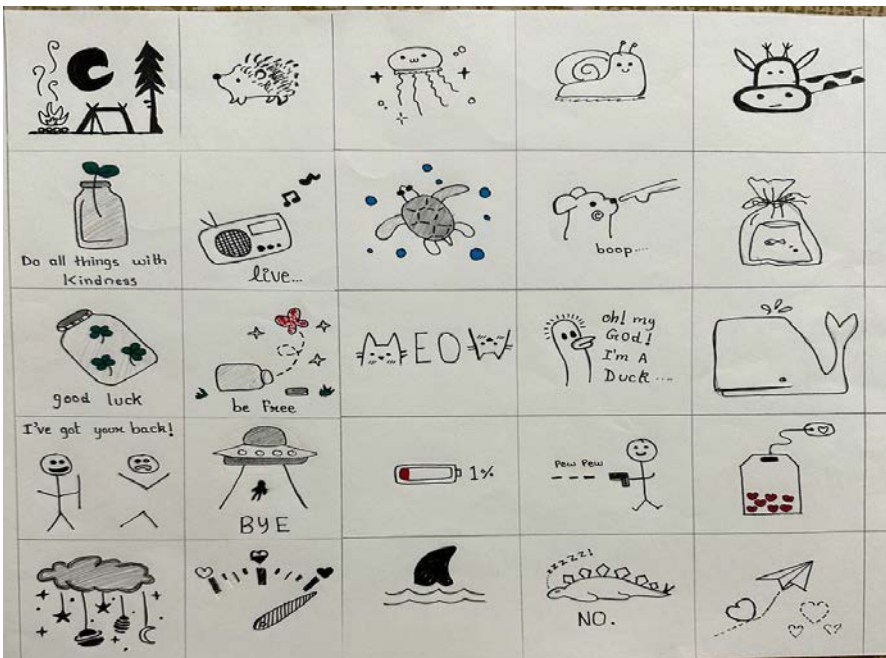

**These are some ideas and drawings
with meaning and even jokes ...**

**Well, these are some of my doodles.
I started drawing this around my 5th grade
and I draw them a pretty lot...
I have emptied many refills drawing these
designs they all seem similar but each one
is different.**

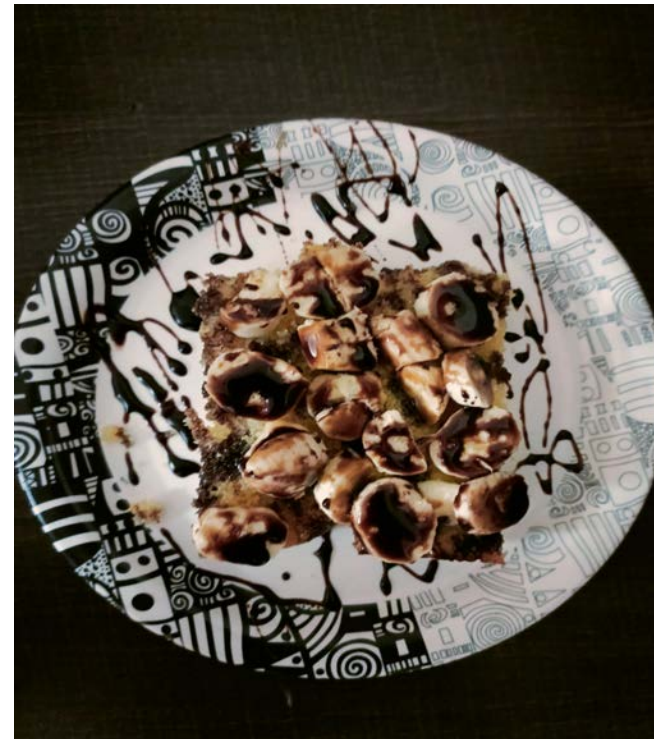

This is the tasty part of my life ...

Since I am a non veg food lover, I like cooking non veg dishes a lot.

Here are some of my work which may make u feel hungry.

I also like baking cakes and cupcakes.

The above one is my favourite coffee cup cake.

**I had bought these shoes 3 years back and I just love them,
hence did a photoshoot for them.**

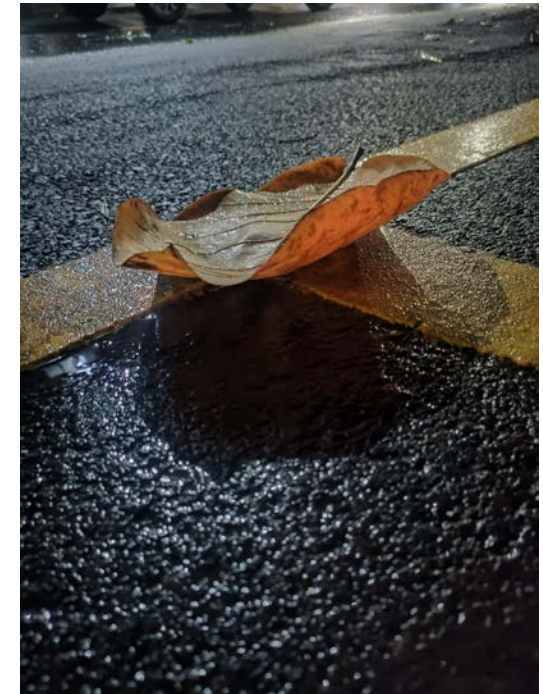

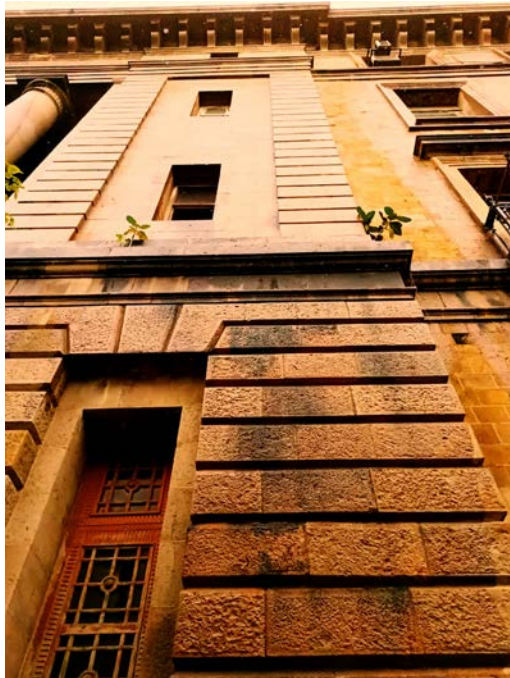

Here are the results ...

The vintage beauty of our Mumbai city.

I like to immortalize the beauty(vintage) through my camera lens. I have clicked these photos in rain and the efforts were really rewarding.

A vibrant orange flower with a yellow center is in sharp focus in the foreground. The background is a soft-focus field of green leaves and other orange flowers, creating a warm and natural setting. The text "THANK YOU" is overlaid in a clean, white, sans-serif font across the middle of the image.
